

TINY KNITTED PREMIE HAT

Materials: Acrylic Baby Fingering Yarn and size 3 knitting needles

Cast on 28 stitches.

Row 1: Knit all 28 stitches, turn.

Row 2: Knit to within 8 stitches of the end (you'll knit 20 stitches), turn work and knit back to beginning of row. Turn.

Row 3: Knit to within 6 stitches of the end (you'll knit 22 stitches), turn work and knit back to beginning of row. Turn.

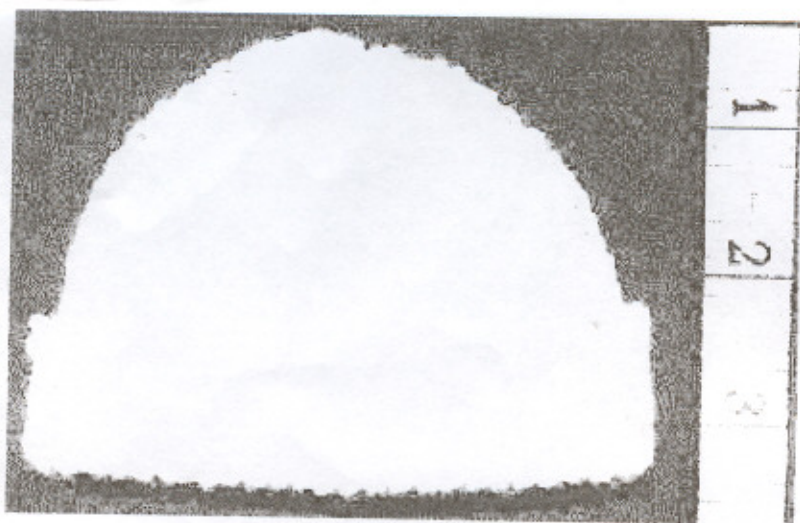

Row 4: Knit to within 4 stitches of the end (you'll knit 24 stitches), turn work and knit back to beginning of row. Turn.

Row 5: Knit to within 2 stitches of the end (you'll knit 26 stitches), turn work and knit back to beginning of row. Turn.

Row 6: Knit all 28 stitches, turn work.

Repeat Rows 1-6 of the pattern 9 times for a total of 10 sections.

Cast off leaving a long tail of yarn. Fold knitted piece in half and sew the two sides together to form the hat. Be sure to run yarn through stitches at top of hat to close.

If a bigger preemie hat is wanted then use baby yarn and size 6 needles. Knit a total of 11 sections. Also, casting on a few more stitches will give a longer hat for turning up into a wider brim.
